RE: Dominion Energy South Carolina, Inc.'s (f/k/a South Carolina Electric &
Gas Company's) Quarterly Financial Report
Docket No. 2006-286-EG

Dear Ms. Boyd:

By letter dated March 17, 2020, Dominion Energy South Carolina, Inc. ("DESC" or "Company") requested that the Public Service Commission of South Carolina ("Commission") issue an order eliminating the 1974 requirement that DESC include within its quarterly reports earnings per share of common stock and its debt coverage ratio of earnings to fixed charges. By letter dated May 5, 2020, the South Carolina Office of Regulatory Staff ("ORS") filed a letter opposing DESC's request, and on May 6, 2020, the Commission issued a directive carrying over DESC's request to a later date. The purpose of this letter is to inform the Commission that the Company and ORS have discussed this matter and reached an agreement regarding DESC's request.

On May 13, 2020, ORS and DESC agreed that the Company would continue to include in its quarterly reports its debt coverage ratio of earnings to fixed charges. Additionally, ORS and DESC agreed that it was no longer necessary for DESC to include within its quarterly reports earnings per share of common stock. Based upon its agreement with ORS, the Company hereby withdraws its request to eliminate the 1974 requirement that DESC include within its quarterly reports its debt coverage ratio of earnings to fixed charges and respectfully requests that the Commission issue an order eliminating the 1974 requirement that DESC include within its quarterly reports earnings per share of common stock as requested in its March 17, 2020 letter.

Thank you for your consideration of the Company's request. If you have any questions or concerns, please advise.

Very truly yours,

K. Chad Burgess
